PLEASANT GROVE ISD ASSESSMENT MATRIX

Note: Subject to change as TEA makes adjustments to the state testing calendar.

Assessment Instrument	Overview	Students	Subject(s)
mClass	Given three times a year, mCLASS provides proven early literacy diagnostic and progress-monitoring assessments for grades K-6. Its ecosystem of early literacy resources work together seamlessly to target skill gaps and provide the right instruction at the right time.	PreK-6th	Reading
MAP Growth	Using MAP Growth insights, teachers can confidently tailor instruction to challenge every student, whether they are below, at, or above grade level.	K-12th	Math
Star Renaissance	Teachers analyze the data they get from Star Assessments to learn what students already know and what they are ready to learn next, to monitor student growth, and to determine which students may need additional help. Star Assessments are heavily researched and scientifically proven to help teachers guide each student on his or her unique path to mastery.	K-12th	Reading
STAAR	Designed to measure the extent to which students have learned and are able to apply the knowledge and skills defined in the state-mandated curriculum standards, the Texas Essential Knowledge	3rd-12th	Reading Writing Math Science Social Studies
STAAR ALT	Assess students who have significant cognitive disabilities and are receiving special education services	3rd-12th	Reading Writing Math Science Social Studies
TELPAS	Assesses the progress that limited English (LEP) students make in learning the English Language	K & 1st	Reading Writing
