Pleasant Grove Intermediate School

Grades 3-5

Home of the Hawks

Mission:

The mission of Pleasant Grove Intermediate School is to ensure high levels of learning and to prepare all students for the middle school level.

Vision:

The vision of Pleasant Grove Intermediate School is to create a positive environment that promotes high levels of learning through a guaranteed and viable curriculum, meaningful collaboration, and quality instruction.

Collective Commitments:

We will:

- work in collaborative teams and take collective responsibility for all student learning
- identify and reach the agreed upon priority standards & adhere to the curriculum pacing established by the team
- implement and monitor student learning through ongoing assessment processes that include frequent team-developed common formative assessments
- use data from common assessments to:
 - ❖ share and improve strategies for instruction
 - ❖ progress monitor student growth
 - ❖ plan effective intervention and enrichment

Shared Beliefs

1. What is it we want our students to learn?
2. How will we know if each student has learned it?
3. How will we respond when some students do not learn it?
4. How can we extend & enrich the learning for students who have demonstrated proficiency?

Comprehensive Needs Assessment Summary

Pleasant Grove Intermediate School 2021-2022

Focus Areas

Pleasant Grove Intermediate School will provide a well-planned and intentional curriculum to better prepare students for their future while fostering a safe and orderly learning environment.

- Intentional instructional program
- Implement a balanced literacy approach
- Safe and conducive learning environment

Demographics

Demographics Summary

Pleasant Grove Intermediate School (PGIS) was established in 2011. Approximately 460 students in grades 3rd, 4th, and 5th compose the campus student group. The student population is 67.5% White, 14.3% African American, 7.4% Hispanic, 6.7% Multi-Race, 3.2% Asian, and 35% of these students are classified as economically disadvantaged. Staff demographics include 49 total staff members, of which 38 are certified professionals. PGIS is comprised of a head principal, an assistant principal, a counselor, a campus learning coordinator, 41 appropriately certified teachers, a nurse aide, two secretaries, nine highly qualified paraprofessionals, one nurse aide and four custodial staff members.

Demographics Strengths

- Recognition of individual differences among students
- Numerous experienced teachers in place

Demographic Needs

- Transfer students into the district may not have the same educational background as students who have been educated in the district for several years.
- Ensure progress for each student to achieve Advanced Academic Performance in Student Achievement, Student Progress, Closing Performance Gaps and Post-secondary Readiness among each demographic group.

Student Achievement

Student Achievement Summary

Curriculum, instruction, assessments, and professional practices are monitored and adjusted systematically in response to student information and data from multiple sources.

Student Achievement Strengths

- The use of Collaborative Team Meetings and data analysis has given PGIS a reputation for high levels of achievement. In order to continue a high level of achievement, Pleasant Grove Intermediate will continue the utilization of data analysis and extend CTM's from grade level to content area. Along with having 100% appropriately certified professional staff, our campus has also made notable achievements in several other areas.

Student Achievement Needs

- Since transfer students into the District may not have the same educational background as students who have been educated in the district for several years interventionists are needed to provide accelerated instruction.
- Student Attendance - (
- Ensure progress for each student to achieve Advanced Academic Performance in Student Achievement, Student Progress, and Closing Performance Gaps and Post-secondary Readiness among each demographic group.
- Improve student achievement and monitor student progress in grades 3 through 5 in core subjects of the state Texas Essential Knowledge and Skills. (TEKS)
- Improve STAAR performance for Special Education and ELL.
- SpEd student performance is lower than the campus average. SpEd students will need access and exposure to grade level instruction to continue to close the performance gap.

Culture & Climate

Culture & Climate Summary

Hawk pride is emphasized throughout the year during morning announcements, during special programs and in good character recognition. Students and teachers alike support and check behaviors to encourage good choices. Teachers understand building relationships with PGISD students is imperative to their success. This is achieved through ongoing communication with both students and parents/guardians. Our Meet the Teacher is well attended and parents are invited throughout the year to have lunch with their children. We invite grandparents to visit our school, where students share activities and tour the school in celebration of Grandparents day. Parent volunteers are readily available and are welcomed to assist in daily activities. Our district nurse team has provided general training for Diabetes, allergens, general care and assistance to teachers for safely dealing with common medical issues at school. Additionally, PGIS drills will be built into the school crisis drill schedule. Pleasant Grove Intermediate is a well maintained building. It is aesthetically pleasing inside and out. The custodial staff takes pride in its appearance. We are thankful for our partnerships with parents and the community. Overall students are striving to be successful and students seem to feel safe.

Culture & Climate Strengths

- Bully free initiative
- Extracurricular participation
- Counseling
- Relationships between teachers and students

Culture & Climate Needs

- Provide more opportunity to seek student input
- Further opportunities to seek staff input
- Building and sustaining leadership capacity among staff and students

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention Summary

Our campus employees are currently all certified. Teachers are evaluated using T-TESS data from formal and informal observations. Data from walk throughs will also be used to measure and maintain high quality instruction. Professional development is encouraged and supported in specific areas of need for student/subjects assigned. Our new teachers have multiple layers of support beginning with partner teachers in grade level/subject areas. Planning/strategy support is provided through daily Collaborative Team Meetings. Professional development is provided for areas of concern as well as current and innovative strategies provided for all staff for continuous improvement. PGIS maintains a teacher/student ratio of 22:1.

Staff Quality, Recruitment and Retention Strengths

- Assigned mentors
- Collaborative Team Meetings
- Growing and promoting within our district
- Leadership and Master's Degree stipends

Staff Quality, Recruitment and Retention Needs

- In order to keep teachers current on the latest instructional techniques through professional learning opportunities the district will need to maintain Region 8 professional development contacts.
- Building leadership capacity

Curriculum and Instruction

Curriculum and Instruction Summary

Pleasant Grove schools are committed to the general philosophy that education should provide appropriate learning experiences for every child within the district. Experiences provide for each child to continually develop and improve--emotionally, physically, morally, socially, and intellectually. Pleasant Grove I.S.D. acknowledges that the student of today will live in a society demanding knowledge and skills related to the use of computers and other technologies. Evidence indicates that the district's schools are committed to the development of the "whole" child. The curriculum is in a state of continuous study and revision, readily adaptable to meet the changing needs of children and provide a foundation of knowledge. Methods of instruction reflect recognition of individual differences among students. Instruction equips students with real world work skills, human relations skills, respect for authority, and appreciation of our American heritage and other world cultures, knowledge of how and where to obtain needed information, and an understanding of computers and other technologies which will enable them to function in an ever changing world. Well-trained and highly competent staff members take pride in their professional commitment to the intellectual, social, and moral development of school children. Continuous staff development and professional growth experiences are encouraged. Discipline is considered vitally important to a vigorous educational program. Overall, the school's efforts are directed to the end that each student will become a productive citizen, capable and desirous of making a definite and positive contribution to the society and to himself/herself.

Curriculum and Instruction Strengths

- The intermediate school curriculum continues to adapt to our student's ever changing needs. The overall curriculum provides our students equitable and challenging learning experiences that ensure each student will have sufficient opportunities to learn, think, and apply life skills that will impact future success. The goals of our campus were achieved through thoughtful planning, which thoroughly aligned with the district's mission. All classrooms are equipped with STARboard technology, document cameras, one-to-one Chromebook ratios, teacher laptops, and other educational software, all of which contribute to the production of high- achieving students. In efforts to further improve student progress and monitor all data, the entire Pleasant Grove Independent School District continues to use Eduphoria, an effective data management software. Along with improving the monitoring of data, our campus is taking several approaches to improve student attendance rates, which include: parent letters, phone calls, and monitoring attendance rates on a daily basis.

Curriculum and Instruction Needs

- Implement balanced literacy approach to ensure all students are reading on grade level by 2025.
- Challenge and prepare students for the next level of education and beyond to meet their full potential, utilizing a well-balanced and appropriate curriculum.
- Increase in progress measure for all SPED in all subpopulations

Family and Community Involvement

Family and Community Involvement Summary

PGISD's mission statement and other vital information is disseminated to all stakeholders through school websites, school publications, in-service programs, and student/parent orientations. Parent input is solicited for evaluation and decisions regarding class offerings, policies and procedures. PG Education Foundation, PG Connection, Campus-Level Planning and Decision-Making Committee, all provide meaningful roles in the support and educational impact on our students. Students and parents have access to all grade-related policies, procedures, and a "live" gradebook that is accessible by students and parents. Classroom teachers, counselors, and other campus organizations utilize social media to showcase and share upcoming events.

Family and Community Involvement Strengths

- Kennedy Center partnership with TRAHC
- Chick fil a Leadership program
- PG Education Foundation
- PG Connection
- Blackboard Parent Notification System
- Online Gradebook
- Remind 101
- Class Dojo

Family and Community Involvement Needs

- Further partnerships between students, parents, the community, and business
- Increase participation with the Kennedy Center Cohort
- Maintain all methods of school communication

School Organization

School Organization Summary

The master schedule allows for RTI (response to interventions) within the school day as remediation for all students. This time allows for Tier 2 & Tier 3 interventions in language arts (reading and writing) and math. Dyslexia programs are served during this time as well. Teachers are allowed to work with a small group of academically weak students while a large portion of their class attends other academic challenges to enhance performance of all students. This creative schedule resulted from teacher recommendations and data analysis for grouping and instructing. The groups are evaluated after each universal assessment (usually a unit assessment) for adjustments and fluid student instruction. We have devoted 120 minutes daily to each grade level's Reading/Language Arts block. All grade level staff members utilize a 45 minute collaborative team planning time daily in addition to a 45 minute conference period.

School Organization Strengths

- Master schedule that maximizes instructional time and provides for flexible scheduling of special programs
- Daily 45 minute collaborative team meeting time for grade level instructional planning
- Tier 2 and Tier 3 allows the opportunity for student specific instruction based on individual data

School Organization Needs

- Further the use of data to accelerate instruction
- Implement technology into the activity rotation

Technology

Technology Summary

The intermediate campus has wifi that completely covers the campus and the parking lot. Teacher laptops are utilized to enable flexibility and collaboration. All students have access to a Chromebook through classroom carts. Teachers have access to a Chromebook management system to ensure devices are focused on learning. Teachers utilize an online classroom tool, Google Classroom, to accentuate instruction. All students attend a technology elective course on a four day rotation in which they receive instruction based on typing, programs, and coding.

Technology Strengths

- Teachers have embraced newly acquired technology to support learning and improve learning outcomes.
- All teachers are using Google Classroom.
- Campus administrators are proponents of using technology in the classroom as an instructional resource to improve student learning.
- Staff is motivated to explore new digital resources and how they can be used for differentiation among learners.
- The campus embraces technology for parent and stakeholder communication.
- Teachers utilize web-based assessment and data management tools to monitor student learning and to make instructional decisions.
- All students and staff have access to the G Suite for K-12 Education tools.
- Instructional staff and leadership have access to web-based TEKS Resources for curriculum management and planning.
- District-wide use of web-based Euphoria streamlines lesson planning, professional learning, Technology Help Desk and Maintenance/Travel requests

Technology Needs

- Continued job-embedded professional learning to support teacher growth and development and to build capacity about how to use digital tools for instructional support.
- Technology resources and professional learning that supports experiential learning environments and builds capacity for integrating various learning opportunities.
- Content-specific digital tools and resources to support core and elective classes.
- Some technology is in need of updating to continue to keep up with the every changing technology supports.
